INSTRUCTIONS.

After putting the instrument upon the box on a level sur-
face, the top hole is placed in the center. Spin the top
of the instrument so that the balls will enter the holes in all
directions. Then spin the balls into the holes.
If all the balls are in the top row, the score is
one point. If only two balls fall, and two points
are scored. If only one ball falls, and two points
are scored. If all the balls are put
in the holes, the player is entitled to an additional
