

# KIDDIE CARDS

## INSTRUCTIONS

Place all the cards face down in the middle of the table.

The first player chooses a card, being careful that the other players do not see it. If the card he drew is the **BOTTOM HALF** of a picture, he lays the card in front of him face up. If the card he chose is the **TOP HALF**, he returns it to the center of the table, face down.

If the card he draws matches a **BOTTOM HALF** which he already has, he keeps the picture in front of him.

If he draws a **TOP HALF** which matches the **BOTTOM HALF** being held by another player, he may take the **BOTTOM HALF** from the other player and make a completed picture for himself.

Each player follows in turn. A player draws but once each turn.

The **WINNER** is the one having the most pictures when all the cards have been played.
