

Game of ROBINSON CRUSOE

Milton Bradley Co. # 4434

The rules are printed inside the box bottom--beneath the action game board. The game is for 2 to 4 players. There is a simple spinner and there are 4 colored wooden discs (Blue, red yellow & green).

The box lid has a nice picture of Robinson Crusoe but the game board is plain--numbers only.

There are two separate game tracks which is unusual and players start on them alternately.
